Description

Engineering work is taking place between Leamington Spa and Solihull on Saturday 27 and Saturday 28 October, closing all lines.

Chiltern Railways:

Chiltern Railways services will be amended to start and terminate at Leamington Spa or Solihull, not calling at stations between Leamington Spa and Solihull.

Chiltern Railways services will also be revised and will not serve stations between Birmingham Moor Street and Kidderminster. Customers are advised to use West Midlands Railway services between those stations.

Replacement road transport will run on the following routes:

- Leamington Spa - Olton
- Stratford-upon-Avon - Olton
- Leamington Spa - Stratford-upon-Avon
- Warwick Parkway - Solihull

Replacement road transport will not serve Claverdon, Bearley or Wilmcote. Customers travelling to and from these stations should use the help point facility at the station.

CrossCountry:

CrossCountry services will be diverted, calling additionally at Coventry and Birmingham International.

West Midlands Railway:

Trains between Stourbridge Junction / Kidderminster and Dorridge will start / terminate at Birmingham Moor Street. Customers should use Chiltern Railways services to Solihull and replacement road transport on to Dorridge.

Trains which normally run to / from Stratford-upon-Avon via Dorridge will be diverted via Whitlocks End.

Replacement buses, operated by Chiltern Railways can be used between Olton and Stratford-upon-Avon.

Check before you travel:

You can plan your journey using the National Rail Enquiries **Journey Planner**

You can find the location of your bus replacement by checking station signs or by searching for your station on our **station information pages**

Bicycles:

Non-folding bicycles are not allowed on rail replacement bus services at any time. Folding bicycles are allowed if fully folded. For more information, please see **here**.
